Mr. Butler, We will make it clear for the Commission and record that Mr. Hafeez's revised testimony is to include the exhibits filed with his prefield testimony of January 27th. Thank you for bringing this to our attention.

Subject: Kiawah Island Utility - DN 2021-324-WS

To the Parties:

I have two questions for different parties:

Mr. Elliott and Kiawah Island Utility:

When you refiled the testimony of Mr. Hafeez, no exhibits were attached. The refiled testimony still refers to the original exhibits pre-filed for Mr. Hafeez. Will you address this in some way at the hearing or by another means?

To the South Carolina Department of Consumer Affairs:

I am aware that the Department is not a signatory to the Settlement Agreement. I noticed that your original witness, Mr. Rothschild, is not mentioned as having testimony stipulated into the record. My question is whether because the Department is not a signatory, will the Department offer the Direct and Surrebuttal testimony of Mr. Rothschild by another means? Or is the Department not going to offer Mr. Rothschild as a witness? Please advise.

Thanks,

David Butler
